

Woodland Wellbeing

Woodland Wellbeing is a space for people with dementia and their carers to spend quality time together in the relaxing environment of a local woodland.

We meet fortnightly in small groups. We go with the flow of what interests you, from short walks to cooking on the fire, trying art or crafts or simply listening to the birds and enjoying a cuppa.

“The freedom of being outdoors, the friendship of being with other people and the understanding of being in similar circumstance – a sense of community.”

‘We’re able to mingle and talk in the open air... It’s less confining – everything floats away!’

Fresh air does you good, there’s a sense of wellbeing, reduced tension, I do sleep better.”

“I just find the whole group is so relaxing and welcoming.”

(quotes from participants)

Our sessions are for people with dementia and those who support them. They take place at beautiful Conham River Park. We meet in a picnic area near the car park, looking over the river. There are public toilets in the car park. You might come as a couple, with a friend, relative or a carer. We also try to accommodate people with dementia who'd like to come on their own.

The small group and relaxing natural environment offers you opportunities to:

- relax away from noise and stress
- spend quality time with other people
- connect with nature
- try new activities and learn new things
- indulge all of your senses
- be yourself and spend time doing what interests you.

The group is facilitated by Rachel, Nicola & Helen, Health and Wellbeing officers with the Forest of Avon Trust, along with our volunteer Kate. They're run in partnership with Bristol Dementia Wellbeing Service.

Our spring/summer 2022 sessions run on Thursday mornings, 10:30am-12:30pm on the following dates:

5 May
19 May
16 June

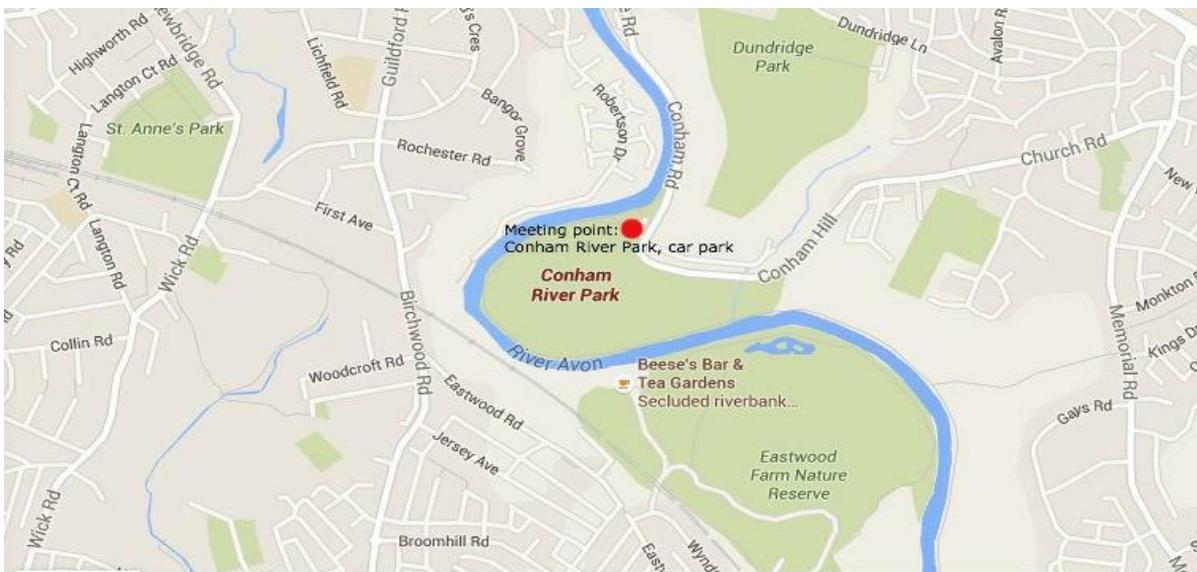

30 June
14 July
28 July
Sessions will continue in August, Sept and Oct.

How do I sign up?

To sign up ask your Dementia Navigator. You can phone the Dementia Wellbeing Service on: 0117 904 5151

Where will sessions be?

We meet at Conham River Park car park (on the corner of Conham Rd and Conham Hill), BS15 3AW. It's a very short walk, wheelchair accessible, to the picnic area:

What should I expect/bring?

When you arrive for your first session we'll look out for you in the car park and go with you to our base. We'll have enough chairs for everyone, a fire to keep you warm (and a tarp cover if it's raining!) We'll provide hot drinks and snacks each session and there are public toilets nearby. Do get in touch if you have any questions about the sessions, we'll do our best to support anyone who'd like to come.

Please bring:

- Warm clothes - even if it doesn't seem cold outside do bring a warm jumper or jacket.
- Waterproof coat - if it's raining we go out anyway! We also have a tarp shelter to help keep us dry.
- Sturdy footwear e.g. walking boots or wellies if you have them.

“When I got the diagnosis I thought life would come to an end but now I realise I can still do all the things I want to.”
